

Vacational Studies '78

English the English way

INTRODUCTION

We are pleased to present the Vacational Studies residential English Language Course programme for Summer 1978. Vacational Studies Course Director – Ian Mucklejohn – has welcomed boys and girls from 30 nations in 4 continents since 1970 and over the years has developed the programme to provide an enjoyable balance between 'vacation' and 'study'.

Vacational Studies is a member of FELCO – the Federation of English Language Course Organisations – membership of which is granted only after thorough inspection.

Vacational Studies aims to create a Course that is as international as possible and avoids accepting a large number of children from any one country. Thus we try to ensure that English is the main medium of communication among the students. By using English, not just as a school subject, but as a living language we hope that our students will realise better its importance and value.

CROOKHAM COURT SCHOOL

Crookham Court School is an imposing mid-nineteenth century manor house with large, bright rooms and spacious planning. The grounds extend to 20 acres and include large playing fields, lawns, gardens and woods. A maximum of 72 students are accepted in the summer.

CHEAM SCHOOL

Cheam School is an elegant late-nineteenth century mansion with impressive interior designing on a grand scale. The School's extensive grounds include several large playing fields, lawns, gardens and woods. A maximum of 80 students are accepted in the summer.

INTRODUCTION

We are pleased to present the Vacational Studies residential English Language Course programme for Summer 1978. Vacational Studies Course Director — Ian Mucklejohn — has welcomed boys and girls from 30 nations in 4 continents since 1970 and over the years has developed the programme to provide an enjoyable balance between 'vacation' and 'study'.

Vacational Studies is a member of FELCO — the Federation of English Language Course Organisations — membership of which is granted only after thorough inspection.

Vacational Studies aims to create a Course that is as international as possible and avoids accepting a large number of children from any one country. Thus we try to ensure that English is the main medium of communication among the students. By using English, not just as a school subject, but as a living language we hope that our students will realise better its importance and value.

Crookham Court

We have found that when children must use English to make friends, the element of self-motivation to learn greatly increases their fluency.

This emphasis on the practical use of English is combined with a full sports and social programme designed to introduce children to the English way of life.

The Course is fully residential. The children eat, sleep and receive classes in the School.

THE CHILDREN

This Course is an important stage in a young person's social development. At both Schools we accept boys and girls aged 11-16 — those just starting English and more advanced students.

THE SCHOOLS AND THEIR SURROUNDINGS

For 1978 the Course will be held at two centres — Crookham Court School and Cheam School. Both are located near Newbury which is pleasantly situated amid the rolling hills of the Berkshire Downs in an area famous for race-horse training. It is centrally positioned in southern England 70 km. west of London and 45 km. south of Oxford.

CROOKHAM COURT SCHOOL

Crookham Court School is an imposing mid-nineteenth century manor house with large, bright rooms and spacious planning. The grounds extend to 20 acres and include large playing fields, lawns, gardens and woods. A maximum of 72 students are accepted in the summer.

CHEAM SCHOOL

Cheam School is an elegant late-nineteenth century mansion with impressive interior designing on a grand scale. The School's extensive grounds include several large playing fields, lawns, gardens and woods. A maximum of 80 students are accepted in the summer.

THE TEACHING

4 classes, each of 45 minutes, are given every day except Sunday by a staff of fully-qualified, professional teachers, experienced in the teaching of English as a foreign language. Classes are graded according to age and ability in English. Numbers are kept small so that each child will receive a high degree of individual attention. The teacher:student ratio is approximately 1:12. All books and teaching materials are provided and audio-visual aids are used. We encourage the use of 'direct-method' teaching and the incorporation of conversation practice into the lessons. Some 'technical' vocabulary will be covered in the more advanced classes.

SPORTS

Sport forms an important part of the Course. All sports activities are under the overall control of a qualified physical education specialist teacher who arranges a regular programme including football, basketball, volleyball, baseball, tennis, table-tennis, croquet, swimming, etc. Competitions for prizes are held.

The full sports programme is included in the Course Fee, but there has been such a great demand for professional coaching in various activities that we offer the services of expert instructors — at extra cost — in the following: — horse riding (at the Newbury School of Riding), tennis (instructors Mr. Ivor Meacher and Mr. Alwyne Jolly) and guitar (instructor Miss Rosanna Lewis, L.R.A.M.) As each instructor can take only a limited number of pupils, these lessons must be requested in advance on the Application Form. We suggest that this is a good opportunity for your child to become proficient in one or two of these options. If horse riding is selected, your child must bring a riding hat and strong shoes and choose in advance the type of lesson required — 'Elementary' (for beginners), 'Advanced' (for jumping and dressage), or 'Hacking' (cross-country riding for the more experienced). Tennis lessons are available for beginners or near-beginners only and the child must bring his own tennis racquet. Teaching is in groups of no more than four. Guitar lessons are for beginners or near-beginners only. Lessons comprising both individual and group work will be given in either classical or folk/'pop' guitar. A guitar will be available for use in lessons, but students are recommended to bring a guitar for practice, if possible.

We emphasise that the regular sports programme is available at no extra charge and that the Sports Organizer is available at all times to offer advice and assistance. For reasons of safety, a teacher supervises children in the swimming pool at all times.

SOCIAL LIFE

We regard the children at each School as a family who live, work and play together. For many of them this is their first time away from home with other children, so we aim to provide a relaxed atmosphere in which they may make friends and form social contacts. We arrange country walks, discotheques, barbecues, film shows, folk-singing, games, theatre and cinema visits, etc.

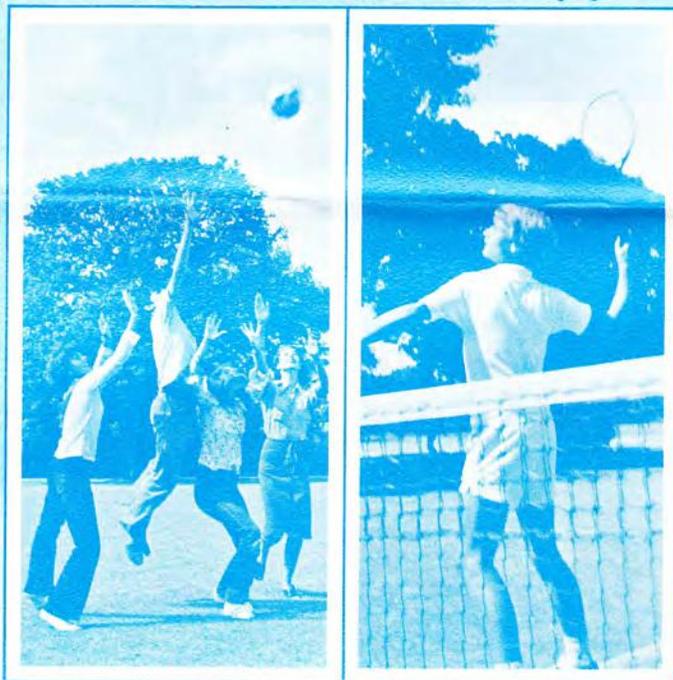

EXCURSIONS

Newbury is well situated as a centre for excursions to various places of interest. As so many children come to us more than once, we have largely revised the excursion programme for 1978.

There will be an excursion each week and visits will include: — a river trip on the Thames and a tour of Hampton Court; the New Forest and the National Motor Museum near Southampton; the Wildlife Park at Longleat in Wiltshire; a choice of shopping or sightseeing in London or Oxford.

Members of the staff accompany the children on all excursions.

MEALS

We realise that food is an important part of the Course. Meals are prepared and served at the Schools. Students will be able to select from a choice of up to three international menus with the emphasis on quality and quantity. There will be plentiful supply of fresh fruit and vegetables. Cold fruit juice will be available at all times. A typical day's menu will be: —

Breakfast:	Choice of cereal Hot rolls and butter Jam and marmalade Tea or coffee
Lunch:	Chicken Supreme or Roast Lamb or Fried Plaice French fried or creamed potatoes Grilled tomatoes Peas Neapolitan ice-cream or fresh fruit
Evening meal:	Pizza or Egg Mayonnaise with fresh green salad
Before bedtime:	Hot chocolate and biscuits

Chantal (Holland) and Ignacio (Spain) in the library

As Newbury is an easy bus ride away and is a quiet town, we allow children to go there twice a week, if they wish, on unaccompanied shopping expeditions in groups of no less than three. This, we feel, helps them to achieve a measure of independence. Parents are asked to indicate their agreement to this on the Application Form.

LIVING ACCOMMODATION

At both Crookham Court and Cheam School, the children sleep in dormitories. The girls are in one part of the house, the boys in another. The accommodation is comfortable and roomy. Bed linen is provided by us.

HEALTH

Minor illnesses are treated by our own staff and there is a Matron with a special surgery/sick room in each School. We also use the services of doctors in the locality. All our students are entitled to free medical treatment under the British National Health Service. Parents may, however, wish to take out their own insurance cover.

CARE AND SUPERVISION

We understand the concern felt by parents when their children are away from home. They are under constant supervision, as far as is practicable, both in the School and on excursions. Our total staff:student ratio of about 1:6 ensures that the children are well looked-after.

During the Course, progress reports are sent to all parents detailing the child's performance in oral and written work and also his social behaviour. At the end of the Course, all parents are sent a final report and leaving certificate together with a detailed report from the Director on the student's general progress and behaviour.

DISCIPLINE

We regard the Course as an international community and have, therefore, some straightforward rules designed to ensure that every member of the community is happy. We expect children to respect the buildings, equipment, and the feelings of other people, and to show good manners on all occasions.

It is important that, before a child is enrolled for the Course, he has the proper motivation for it – the desire to learn English, to be a member of a happy, well-integrated, multi-national society and the willingness to participate in the extra-curricular activities.

If a child is correctly motivated, there should be no disciplinary problems, but if they should arise, we reserve the right to contact parents and, if we consider it necessary, require that the child be taken home.

IN GENERAL

Vacational Studies has, over the years, built up an excellent reputation with parents and children all over the world. Many boys and girls spend more than one summer with us and return from year to year renewing old friendships and making new ones. Most children come to us on personal recommendation.

As well as formal study, we concentrate on the holiday aspect of the Course. We believe that the children should feel free to enjoy themselves out of class. There is always something to do, but if a child prefers to read or be with friends, we naturally respect his wishes. The numbers on the Courses are deliberately kept small so that the staff can get to know everybody and treat each child as an individual. The students will meet and form close friendships with children from many lands. We aim to promote a truly international spirit.

The Course is interdenominational. If parents so wish, we shall arrange for the children to attend an appropriate service. Please indicate this on the Application Form.

BIOGRAPHICAL NOTE

Ian Mucklejohn — who, as the Director, co-ordinates both Schools — is a Londoner by birth, but has lived mostly in Newbury. He is a Graduate of the University of London with an Honours Degree in English Language and Literature and is an Associate of the College of Preceptors. He has had many years experience in organizing Language Courses and in teaching as the Head of
