

Prevent: guidance for Vocational Studies staff

Notes

This national Prevent strategy is designed to reduce the number of serious incidents and to catch anyone, especially vulnerable people before they enter the criminal justice system. Some English language teaching (ELT) organisations/ departments have already had to deal with some Prevent-related incidents, some very serious.

The Channel Process, (mentioned in 4) is a multi-agency strategy to try and divert anyone on the fringes of radicalisation/ extremist behaviour. It would be implemented by the local police after reviewing evidence. It is unlikely to be needed by ELT providers as it exists to deal with local residents rather than visitors to UK.
